

Thematic seminar: What Happened After Social Impact Lab? From Research Ideas to Societal Impact

28 April 2026 10:00 – 11:15 (CET) Online via Teams

This seminar features participants from Social Impact Lab (SoiL) in Örebro Sweden, presenting the current status of their research ideas and reflecting on how these have evolved during and after the idea development program.

The seminar will also include a brief introduction to the structure and aims of Social Impact Lab.

The seminar is open to researchers, doctoral students, supervisors, innovation advisors, policymakers, and others in Sweden and across the NEOLAiA alliance interested in the topics covered. The event is arranged by the University Health Care Research Center (UFC), Region Örebro County, Sweden.

Plan:

10.00-10.10 Anna Duberg: Welcome & introduction, What is Social Impact Lab?

10.10-10.30 Marcus Jonsson: Cancer rehabilitation coordination (SoiL 2025)

10.30-10.50 Veikko Peltö-Piri: Improved quality of inpatient psychiatric care (SoiL 2019)

10.50-11.10 Erik Höglund: Development of prehospital emergency care (SoiL 2023)

11.10-11.15 Anna Duberg: Concluding remarks, info about application SoiL 2027

Please register by emailing your name, profession, city, and, where applicable, your academic affiliation to: anna.duberg@oru.se.

A Teams link will be sent by email.

Note: The seminar will be held in English.
